

Northern New England Home Builders Insurance Program

COVERAGE THAT FITS YOUR BUSINESS

✓ GENERAL LIABILITY ✓ PROPERTY ✓ AUTOMOBILE ✓ WORKERS' COMPENSATION ✓ UMBRELLA ✓ EQUIPMENT

Small to medium-sized contractors know how difficult it can be to obtain competitively priced insurance with the same benefits available to larger contractors. That's why the Home Builders & Remodelers Association of New Hampshire have teamed up with Acadia Insurance. Acadia offers a preferred insurance program specifically designed for builders and remodelers of residential property. Now, qualifying policyholders can get the coverage they want — at a cost that's in line with their operating budget.

The Right Choice for Your Business

✓ Local People, Local Representation

The Northern New England Home Builders Insurance Program is endorsed by the Home Builders & Remodelers Association of New Hampshire. This program has been built for quality, responsiveness, and long-term value. The Associations and Acadia Insurance are committed to bringing you programs that truly benefit your business.

✓ Dividend Potential

Since 2006, the Northern New England Home Builders Dividend Plan has been available to plan members and has returned **over \$4 million in dividends to eligible participants**. Earned dividends are paid directly to the policyholder on qualifying lines of business.*

*Dividends are based upon experience, are subject to Board approval and the terms and conditions of the Program, and are not guaranteed. The amount of dividends paid in the past are not indicative of what may be payable in the future.
